

TUM Sport Equipment and Materials

Public transportation:

From Munich main station

Use metro (U-Bahn) **U1/U2** to *Sendlinger Tor* and change there to **U6** in direction *Garching-Forschungszentrum*. Exit at **Garching-Hochbrück**.

Follow the pathway from the station thru the underpass until you reach the building Parking 35 (ca. 3 Minuten). Please use the entrance at the north-east side (pink arrow). Use the escalator to the third floor.

From the airport:

Use a taxi – it saves much time as we are located half-way between airport and the city.

Arriving by car:

Coming either from South (from Munich City) or from North (from Nürnberg or from the airport), follow the highway (Autobahn) **A9** to exit **Garching Süd**.

Drive on road B471 for approximately 500 meters in direction **Oberschleißheim**

Make a right turn when you come to the traffic light, enter the small roundabout and leave it at the third exit.
